Good Manufacturing Practice Certificate

To whom it may concern

This is to certify that **Alpha Laboratories (NZ) Ltd** operating at **16-18 Bowden Road, Mt Wellington, Auckland, New Zealand**, has been audited to the *New Zealand Code of Good Manufacturing Practice for Manufacture and Distribution of Therapeutic Goods, Part 1: Manufacture of Pharmaceutical Products*, and has been found to comply with the requirements for:

1. manufacture and release for supply of bulk coated and uncoated soft gel capsules and coated and uncoated dry blend tablets containing:

herbal ingredients, apiary products, fish and shellfish products, animal products, vitamins, minerals and enzymes.

2. microbiological, chemical and physical laboratory assessment of:

raw materials, in-process and finished goods used in nutritional or 'nutraceutical' (vitamin, mineral & herbal) products.

The following persons are currently responsible for release for supply of bulk product manufactured on contract:

Mr Rowland Ong, Quality Assurance Manager
Mr Mark Vickers, Technical & Regulatory Affairs Manager
Ms Margaret Brookes, Senior Quality Assurance Officer

Note that this certificate only applies to products that:

- do not fall within the definitions of medicines and related products in the New Zealand Medicines Act 1981
- are intended for export to Australia where they are termed 'listable', or where minor therapeutic claims are made
- are not tested as part of a third party contract analysis agreement

This certification is based on an audit carried out by an officer of the Ministry of Health at the Company's site on 2 and 3 December 2008.

This certificate is valid until 8 August 2011.
